DEDICATION

This year marks for Miss Virginia Hart the completion of two decades of teaching and inspiring Mars Hill College students. Since 1945 she has striven to establish the ideals of good sportsmanship in campus life and sports.

Despite a heavy schedule of classes and related activities, Miss Hart has found time during these years to participate creatively in the life of the community and the program of her church and in several professional organizations. Among these are the North Carolina Athletic and Recreation Federation of College Women, the physical education section of the North Carolina Education Association and Delta Kappa Gamma, the international sorority of teachers. Her achievements merited for her a place in "Who's Who of American Women for 1964."

It is with pride that the 1965 Laurel staff and the Senior Class dedicate this yearbook to Miss Virginia Hart, teacher, coach, Lion supporter and friend.

MISS VIRGINIA HART
Associate Professor of Physical Education

FOREWORD

Presenting an entire school year's activities within the pages of a single book is no easy task. Each individual cherishes his own personal memories — moments of praise, disappointment, challenge and victory which occur each day and thus make up the entire school year.

The 1965 Laurel staff has tried to capture in the following pages all the various moods of campus life at Mars Hill College during the last year. It is the sincere desire of all who helped make this book possible that the sounds of dear ol' Alma Mater will echo again and again as you recall the school year 1964-65 at Mars Hill.

Staff Artist David Inman has created this character to brighten our book.

PRESIDENT'S MESSAGE

My thirty-seven years on the Mars Hill campus have been happy and gratifying. To be sure there have been problems to meet and solve, but when I think of our many loyal, alert, eager students I realize that the rewards have been commensurate. A teacher or school administrator can experience no greater joy than that of seeing his pupils grow in knowledge and wisdom. Every student who has studied here in my time has my blessing and my good wishes.

I salute the entire college family.

Cordially,
Hoyt Blackwell, President

When the future will have afforded a perspective for the appraisal of Dr. Blackwell's administration at Mars Hill College, his achievements will loom in the history of the college.

When he agreed to direct the enlargement program for the college in 1935, he declared his desire to provide Mars Hill with physical equipment commensurate with its spiritual assets. When he accepted the presidency in 1938, he reiterated his purpose. To see how well he has kept his promise, one has only to survey his accomplishments. Nine modern buildings have been erected and equipped; older buildings have been renovated; more than a dozen cottages and faculty homes have been acquired; and the campus has been enlarged and extensively landscaped.

Dr. Blackwell modestly gives others credit for what has been done. Indeed many have shared his vision and enthusiasm, although some have been fearful, critical, or apathetic. With his judgment, industry, integrity, and faith, however, Mars Hill now stands girded to meet the opportunities of the future.

Dear Mr. Hayes:

Thank you for your letter and the photographs of the lovely contestants vying for the title of Miss Laurel 1965.

The choice was a difficult one to make, since each of the young ladies possess individual qualities of beauty. After much deliberation I made my choice and have marked the picture of the girl I selected to be Miss Laurel 1965.

I was very pleased to judge the contest and thank you for the honor. My picture is enclosed, as requested.

My best wishes to all of the students at Mars Hill College.

Sincerely,
Andy Griffith

ORGANIZATIONS

HONOR CLUBS

The Honor Clubs have been a vital part of campus life at Mars Hill for many years. These clubs seek to lead their members into a deeper understanding of life and their part in it, both on campus and after graduation. Students are eligible for membership by having a B in the course which the club represents and by having nothing less than a C in all other subjects. Represented in the Honor Clubs on campus this year were the social science, English, business, foreign languages, religion, music, and science departments. Due to a lack of interest and for the first time in several years, the German Club was not represented in the Honor Clubs.

The Student Government Association adopted an insignia which will represent it as an official seal in all functions of student government at Mars Hill College.

The insignia features an engraving of the familiar mountains behind the imposing steeple of the administration building. In the upper left corner is a scroll symbolizing scholastic merit, and in the opposite corner there are four stars, which represent the four academic classes. Mounted above the engraving is the M. H. C. Mountain Lion surrounded by scroll work.

Much of the success of this year's Student Government Association must be attributed to the members of the student body at large. Due to the tireless efforts of both the students and the advisers, growth is evident in this important facet of college life.

Each personal success can only be measured in the amount of personal responsibility each one has placed on himself in accomplishing the purposes of the S. G. A. These responsibilities and desires for self-expression must accompany a senior college.

Let this challenge of responsibility continue to be the example of guidance for those to come.

1965 LAUREL

Since the first Laurel in 1916, every staff has tried to accomplish the same sought after goals. These goals have been exemplified in numerous annuals through the years, but it is the desire of each staff that the book they produce be the best yet.

It is with this objective that the 1965 Laurel staff has sought to produce this year's book. The long hours spent in producing such a store of memories can only be known by those who have a first hand experience by working on the staff. However, even with this abundance of work and what seems to be a never ending task, when the final copy is in and all is done, it is evident that it is a most noble task.

The Hilltop

Published by the Students of Mars Hill College

The college newspaper is one of the most vital organs on any campus. It serves as a history of the outstanding events of the school year as well as a medium of communications.

Many late hours are spent in gathering all the latest news flashes. Waiting for that late ball score and inserting it just before press time is just one of the many responsibilities of the staff.

The writers, typists, circulation manager, business manager, editors, and proofreaders all play such an important role in the compiling of the bi-weekly publication. A special word of thanks is due Mr. Walter Smith, our advisor, for his untiring devotion to the paper.

MUSIC

ROBERT C. RICH
Director of Choirs

The Mars Hill College Choir and The Mars Hill College Campus Choir both provide music enjoyment on the campus and also lean to represent the college in churches and schools throughout the southeast. These choirs perform outstanding works from every period of choral literature, ranging from Palestrina to contemporary works such as Randall Thompson, often including Negro spirituals.

In the spring of each year the Choir goes on a week-long tour and thus brings about good relations between other schools and different organizations. The Campus Choir provides music for chapel, but also presents a program at Christmas and in the spring. The College Choir is accompanied during rehearsals by Norman Selby and the Campus Choir is accompanied by Sharyn Russell.

WAYNE PRESSLEY
Band Director

The Mars Hill College Band did much to entertain and uphold school spirit as well as create good public relations for the college this year.

The marching band, led by drum major Paul Penninger and six capable majorettes, participated in parades, ball games, ground breaking ceremonies for the new gym, and pep rallies.

The concert band, under the direction of Mr. Pressley, presented two concerts on campus. During the annual spring concert tour the band presented concerts at high schools in other sections of North Carolina and in Virginia. The band provided music for May Day festivities. The stage band provided part of the entertainment for the Miss Laurel Pageant. This year several members of the band were participants in the North Carolina Intercollegiate Band.

BAPTIST STUDENT UNION

The B.S.U. acts as a catalyst for spiritual growth by encouraging involvement by the student with ideas and with fellow students in various activities included in college life. The purpose of the B.S.U. is to provide an atmosphere in which students might find greater enjoyment in their college career.

College is a preparation course for observing life critically for its purposes and meanings for individual lives. It is the hope of the B.S.U. that these insights will be channeled into service for Christ throughout the world.

MINISTERIAL CONFERENCE

Each week young men who have yielded themselves to the call from God to minister the Gospel to the world, have the opportunity to join in this fellowship with others who have dedicated their lives to the same obedient service. The conference provides the opportunity for ministerial students to unite to face mutual problems, to form stronger bonds for achieving their purpose, and to find guidance and direction in preparation. By allowing criticism to come from a faculty member who has been elected Critic, the conference is able to help its members improve their sermon delivery, and the other points of worship which the pastor would find himself leading. The sincerity of purpose of this conference is certain to provide a stronger frame work in the future ministry of the church of the world.

YOUNG WOMEN'S AUXILIARY

Young women who wish to reach a deeper understanding of their place in the world of today and how to accomplish their purpose with a deeply religious outlook, find what they desire in the Young Women's Auxiliary. They promote civic affairs with a religious standard and through prayer they seek to show their concern for the people of the world. There are individual dorm groups and then the presidents and leaders from the dorms form the general YWA's.

VOLUNTEERS FOR CHRIST

The students who comprise this group have been called by God to serve in various capacities of service in the world of tomorrow. Being "marked for the Master" and realizing their importance in the future religious development of the world, they seek through programs established by the BSU to enrich their activities and thus their lives through Christian growth. Although their future occupations will not pertain to the ministry, they do try to establish a firm groundwork to build not only their religious lives on, but others as well.

1964 FOOTBALL

Under the direction of Coaches Don Henderson and Ron Bromley and co-captains Larry Phillips and Dave Livengood, the Lions spent many hours traveling, many more practicing, and all of their energy to bring us another season of football.

Although an improvement over last year, the 3-5 record compiled by the Lions for their 1964 football season does not tell of the sacrifices made by each player to bring the fans another thrilling season.

For their first gridiron tilt the Lions traveled to Salisbury to meet the Indians of Catawba College. Although Mars Hill came out on the short end of a 12-12 score, the statistics brought out the fact that they yielded only 57 yards rushing to the host team. Catawba cashed in on several breaks, consisting of three fumbles, a costly penalty and a blocked punt, to run up the total on their side of the scoreboard. Roger Whittley, Jim Few, Harry Sprouse, and Larry Phillips did a good job offensively while Bo Dishman, Jim Epps, and Bill Lewis took the honors on defense.

The following week Mars Hill broke into the win column, under the direction of quarterbacks Jack Reece and Bill Smarr, by defeating Marion Institute before the home crowd. The game's only touchdown in the Lions 7-0 victory came after Tom Nix recovered a Marion fumble. Several plays later Harry Sprouse took the ball in for the score and Bill Smith booted the extra point. Boyd Perry, Sprouse, and Roger Whittley did a good job of running the ball while Bill Dyar, J. C. Moss, Doug Echols, Ron McCraw, Jim Epps, Bo Dishman, and Tom Nix stood out on defense.

Next the Lions traveled to Barnesville, Georgia, where they came from behind to down Gordon Military College 10-7, in a steady downpour of rain. Bill Smarr carried the ball for the Lions' only touchdown following a 40-yard run due to the speed of Sprouse and a key block by Jim Epps. With a little more than five minutes remaining, Henry Zion booted a 23-yard field goal to wrap up the victory. Kees Auer along with Echols, Epps, Dishman, and Lewis, turned in a good game on defense.

To make it three wins in a row, Mars Hill handed Newport News Apprentice a stunning 25-0 setback before a capacity homecoming crowd. Jimmy Few turned in two touchdowns in the first quarter, but the conversions failed. Following a touchdown run by Dyar and an extra point by Smith, the score stood at 19-0. A pass from Reece to Blevins was good for a 25-yard touchdown. Defense was outstanding and reserves Gerald Lankford, Don Robinson, and M. O. Brinkley saw plenty of action.

Top to bottom:

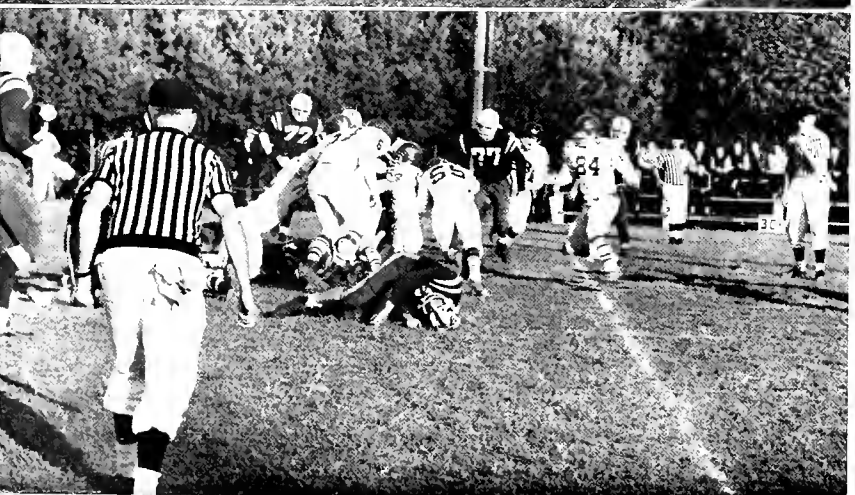

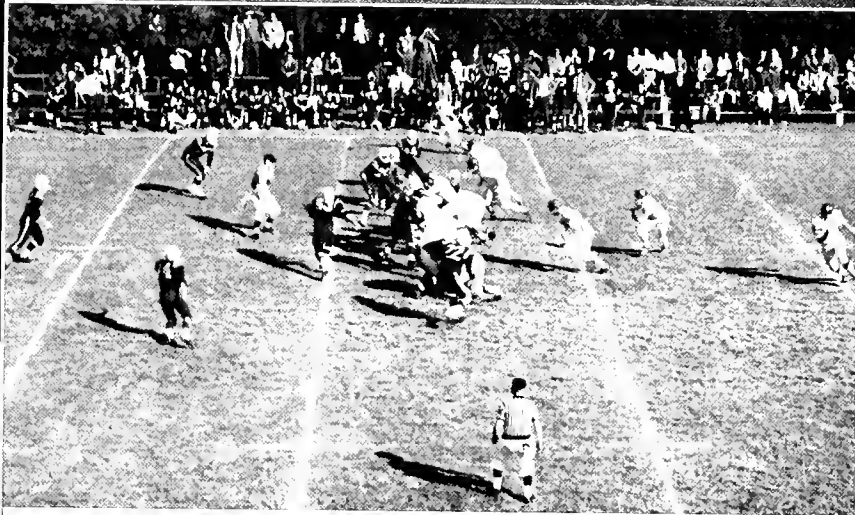

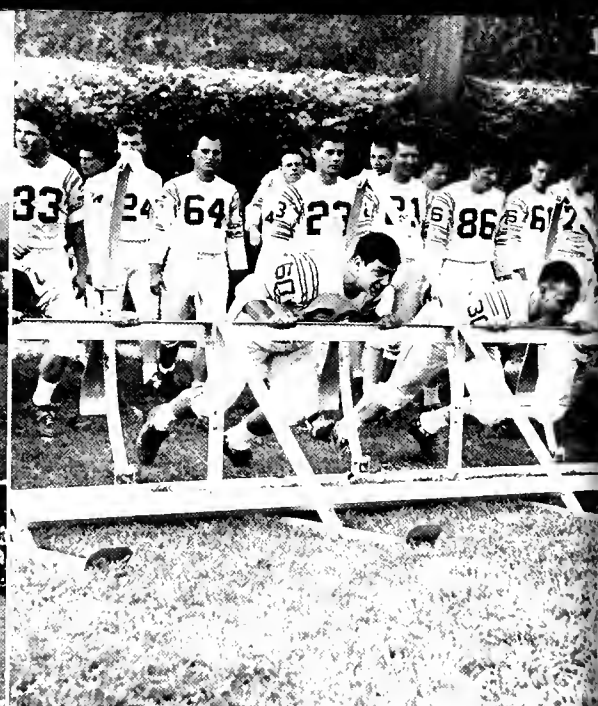

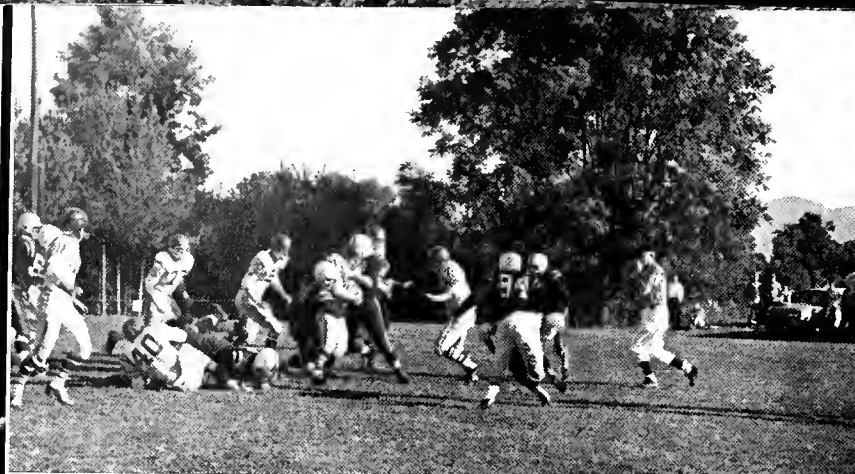

TACKLES: Epps, Lankford, Brinkley, Auer, Dishman, Moss, Benfield.

GUARDS: Robinson, Keith, Cole, Secondine, Schultz, Smith, Echols.

ENDS: Vess, Livengood, Nix, Ward, Harmon, Russell, Stevens.

HALFBACKS: McCraw, McFee, Mullins, Steudmon, Perry, Blevins, Sprouse, Wood, McLeod.

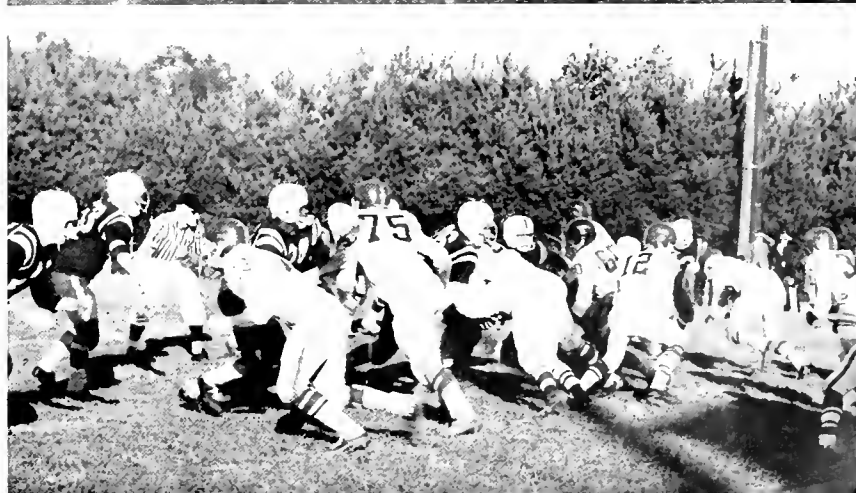

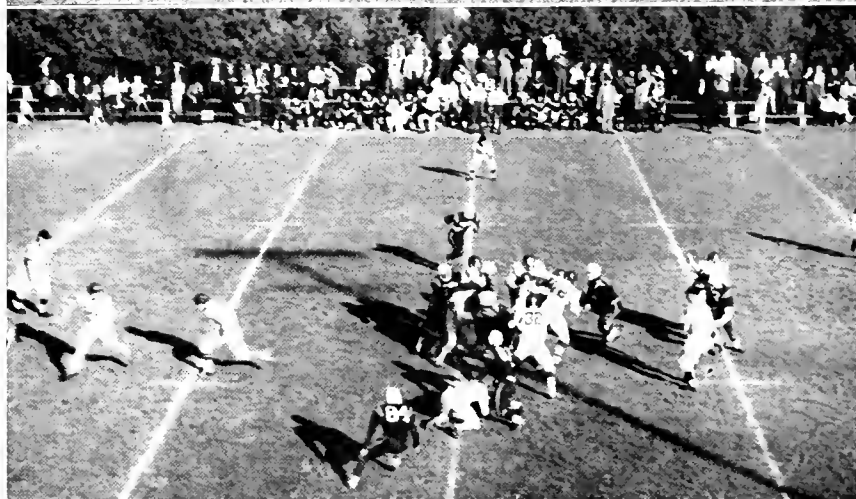

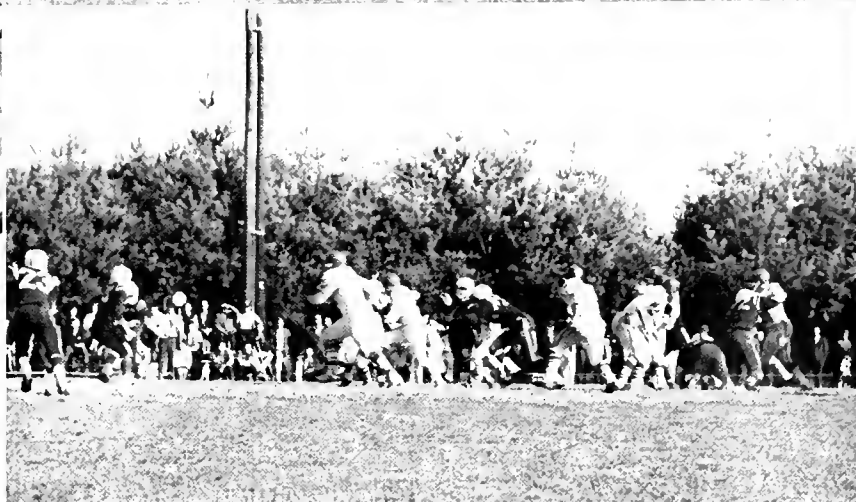

A new rivalry was created with Western Carolina College as they handed the Lions their first loss in four games by a score of 28-0. The Lions dominated the play in the first quarter, but the tide turned when they were forced to give up the ball inside the Catamount ten-yard line. The Lions came back strong in the second half, trailing 14-0, but Western scored twice more to win the game. A large crowd of Mars Hill fans were there to witness outstanding plays by Bo Dishman, Bill Lewis, Jim Few, J. C. Moss, Ron McCraw, Doug Echols, Roger Whitley, and Johnny McLeod.

On October 24, the Lions were the victims of a 48-0 defeat handed to them by a strong Livingston State (Ala.) team.

The following week a host of Mars Hillians traveled to Jefferson City via train for a thrilling game with Carson-Newman College. The game was scoreless going into the final period, but the Eagles capitalized on two short runs and a long punt return to take a 20-0 victory. The whole Lion team played well on defense as Ron McCraw intercepted two passes. Dave Livengood, Tom Nix, and Bill Lewis, along with several others were outstanding in defense. Johnny McLeod thrilled the crowd as he had done all season with his long punts, by turning in a 47-yard average for the game.

For the final game of the 1964 season the Lions took on the undefeated Scots of Maryville College. The defense was "magnificent" as Mars Hill held the high-scoring Scots to a 6-0 final score. The Lions threatened several times on offense, but were unable to score. Danny Shook shared signal-calling duties with seniors Jack Reece and Bill Smarr, and Boyd Perry ran well on offense. Ends Dave Livengood and Tom Nix showed up well on defense, and along with hard tackles from Kees Auer, Bill Lewis, Bo Dishman, and Jim Epps, the Lions played an outstanding game. For the seniors on the team this was the last game they would play for Mars Hill, but the rest of the team gained much experience for next season.

Doug Echols, Jimmy Few, and Bill Lewis will serve as tri-captains for the Lions' 1965 season.

1964-65 BASKETBALL

Although football practice was still going on a few hundred yards away, the sound of bouncing basketball was already beginning to pour out of the "cracker box."

The Lions posted a 10-10 record for the season while setting three new records which could easily stand for many years to come. The 130-78 victory over Lee College broke the record for the highest game total since moving into senior college competition. A 123-99 victory over Emory and Henry earlier in the season was the previous high. Bill Loven set a new school record by turning in 50 points against Emory and Henry. Newcomer, Duke Fisher, broke the rebounding record of 18 set by Hoby Harmon last year, by pulling down 25 rebounds against Wilmington College.

The Lions were paced this year by Bill Loven, whose soft shot from behind the head made him high scorer for the season. The ball handling and play-making of Doug Pickard and the sharp-shooting of Harry Alban gave the Lions the punch they needed at guard. Duke Fisher, a transfer from Gardner-Webb, proved himself in the pivot spot with his scoring and rebounding abilities. Hoby Harmon teamed up with Loven at forward with his shots from the corner and his rebounding.

Manley League and Andy Good saw plenty of action for the Lions this year as League starred for the defense and Good added scoring punch for the Lions. Dave Beaman and Pat Sams were top reserves again this year.

The most memorable game of the season came as the Lions downed Appalachian State. It was the greatest team effort of the year as Pickard, Alban, League, Harmon, Beaman, Good, and Loven teamed up in the first half by hitting 65 per cent of their shots.

Graduation will cost the Lions the services of Loven, Harmon, League, and Beaman, four valuable players on the 1964-65 team.

COACH DON HENDERSON

1965 BASEBALL

March 1 brought with it the beginning of baseball practice for another year. Graduation, among other things, resulted in the loss of most of the starters from the 1964 team, but approximately thirty-five prospects turned out in an effort to make this year's team.

The few returning from last year's team included Don Love, Dave Livengood, Duffy Wood, Ken Maynor, Fremont Vess, Larry Burgess, Charlie Smith, and Mickey Radcliff.

Adding strength to the returnees were several top prospects, namely, Jim Few, Johnny McLeod, Andy Good, Roger Banks, Danny Shook, Bill Dyer, Tom Nix, Don Chiles, Ron Falk, Tom Worsham, and Dennis Adams.

Bad weather kept practice inside for the first two weeks, and slowed progress in selecting the team from the candidates. As the annual went to press, Coach Henderson stated that with a full week of good weather before the first game, all indications were that the baseball team would continue in their winning ways.

1965 GOLF

This year brought the return of golf to Mars Hill as a varsity sport. Golf is no stranger to the campus as Mars Hill has had several good teams in past years. The team was inactive in 1964, but Coach Ron Bromley reorganized it under his direction this year.

As the annual went to press it was too early for the team to have been selected. Coach Bromley stated that the team would be chosen by means of an elimination tournament in early April. He said that several boys had already shown an interest in the team and a schedule was set up. (The boys pictured below are the ones who had shown interest when the annual went to press).

Home matches were to be played on the Beaver Lake course in Asheville.

A track team was not organized this year, but it will return in the spring of 1966. It was not through any lack of interest on the part of the coaches or the team that this decision was made, as several boys had already begun to work out. The new quarter-mile track was not ready to be used this year, but plans were being made for several of the boys to represent the school at relays being held at other schools.

1965 TENNIS

Prospects looked extremely bright for the tennis team again this year, as the entire last year's team returned for another season. The team posted a 7-2 record last year with both defeats coming at the hands of Milligan College. The tennis team was the first to defeat Western Carolina College in varsity competition.

The returning netters, all of whom are lettermen, consisted of senior Ken Murray, juniors Doug Pickard, M. O. Brinkley, Ron Harvey, Andy Morley, and sophomore Bill Cole.

Coach Wood said that Ed Way and John McIntosh would also be top prospects for the 1965 team.

The Mars Hill College Athletic Department has a promising future with the recent addition of the new athletic field (pictured below) and the planning of the urgently-needed physical education building (pictured above). The new gymnasium, which is to begin construction in the early summer, will contain the most modern facilities in athletic equipment and will not only have a fully equipped gymnasium, but a natatorium with a swimming pool as well. The long anticipated athletic field will be ready for use during the 1965 football season. The quarter mile track which surrounds the field will be utilized during the spring track season of 1966.

INTRAMURALS

Strong competition prevailed again this year as intramurals came on the scene. This program gives every young man on campus an opportunity to participate in the sport or sports of his choice. Every dorm and cottage was represented as were the commuting students.

Myers captured the touch football championship for the second year in a row as they were undefeated and unscored-on.

Next, the teams moved into the gym to get the volleyball season underway. Again Myers took the honors by posting a 6-1 record followed closely by Treat.

Press time came before the basketball tournament could get under way, but it was anybody's guess with Cody, Treat, and Myers II on top.

Softball rounded out another successful year of intramurals and many of the year's highlights were saved on film.

OUTSTANDING CAMPUS LEADERS

Each year seven people who have contributed the most to Mars Hill College during their college career, and have upheld the intellectual and moral standards of the college, are chosen to be included in the Laurel.

This year the selection was conducted slightly different. The faculty named who they considered most worthy of this honor and then the senior class voted from a list of fifteen names. The seven students on this and the following three pages are Mars Hill's top seniors for 1964-65.

Gary Brookshire, a history major from Thomasville, as president of the SGA has continued to build the prestige and reveal the importance of this most vital campus organization. His commanding spirit and friendly sincerity has lended an example to all of us.

Ernest Troy Jones, a science major from Murphy, has been outstanding academically and served actively as a judge in the Student Government Association and other affairs closely related to the SGA organization.

Angie Priester, an elementary education major from Wilkesboro, has been an avid campus leader in the Student Government Association and various religious organizations. In Angie we have all experienced her ability to adjust to any problem with calmness and tactfulness.

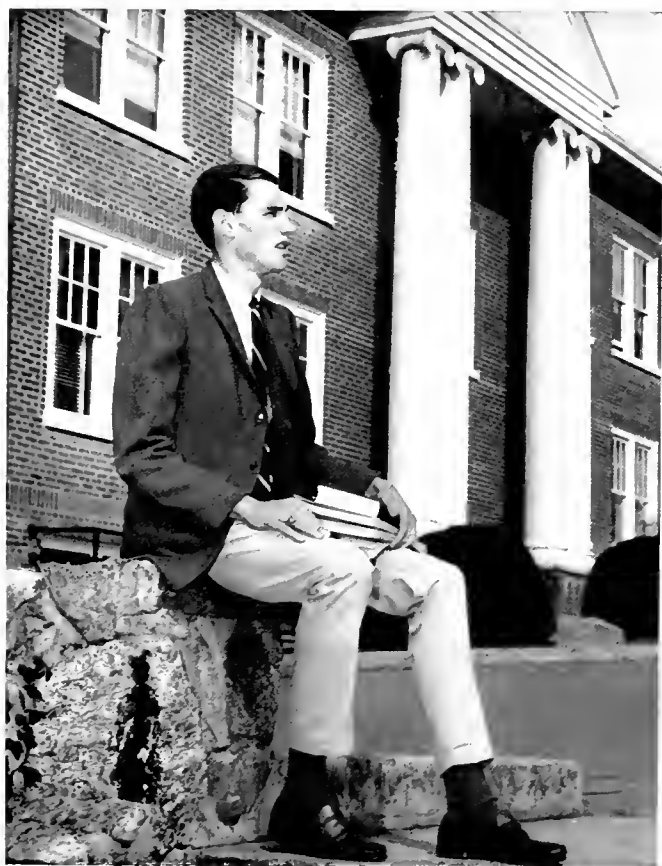

Stephen Fleetwood, a biology major from Palmetto, Fla., has served as chairman of two committees in SGA and also as treasurer of the Student Government Association. Steve's humble yet outstanding personality will remain vivid to us forever.

Kay Brooks, a French major from Charlotte, has been an active leader in the BSU program on campus all four years. Kay has combined the religious with the intellectual to assure a true Christian teacher of the future.

Ken Murray, a voice major from Kannapolis, has been a leader in the music department and as chief marshal has shown us how to combine the cultural aspect of music with the intellectual aspects of college. His versatility is revealed also through the action he exhibits on the tennis court.

Hobert Harmon, a history major from Winston-Salem, is truly an all-around student. "Hoby's" activities extend from Student Government work to basketball. As Junior Class President and as an active member of various clubs, he has shown that the interest of a person doesn't have to be in merely one field.

IN MEMORIAM

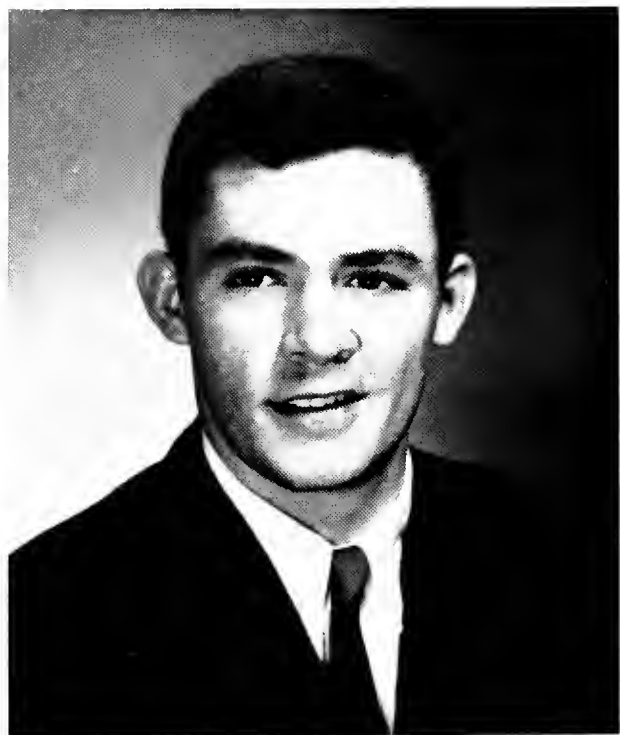

As the students entered chapel on that morning of February 13, 1965, the reverence present was that of entering a church. The students were reminded that a man's life cannot be measured by the years he has lived, but rather by the life lived. James Frank Bradley lived only eighteen short years, a handbreath to an eternity. But the outstanding characteristic of being himself and his excellent quality of friendliness will live in the hearts of Mars Hill students forever. Books, donated by the boys in Melrose Dormitory, are now in the library so that those who follow may obtain the sought after goal of Jim, that of becoming an engineer.

EDITOR'S FAREWELL

As you have now arrived at the end of this book, it is my wish that you have found it not only interesting, but factual as well. The Mars Hill College Lion has shown you the various phases of activities and people who were at Mars Hill during the 1964-65 school year.

Since I was not appointed editor until second semester, the staff had a rushed task of gathering all the information to be included in the 1965 Laurel. If it had not been for the cooperation and helpfulness of Mr. Smith, this task would have been a much more difficult one. A special word of thanks also goes to Tracy Heath for his outstanding work in managing the "Miss Laurel" pageant; to Mr. Johnson for his excellent class and feature photography; to Mr. Griffith for his prompt and courteous selection of "Miss Laurel" 1965; to the engravers and printers; to the secretaries in the Public Relations office for their cooperative spirit; and to each individual member of the 1965 Laurel staff.

May you look to this source often in years to come and recall the various moods which you felt, along with the feelings of your classmates and teachers, during this year.
